

Donation Policy

At Pimlico Angels, we deeply appreciate and rely on the generosity of our donors to support our mission of helping those in need. To ensure the safety and well-being of our recipients, we have established the following donation guidelines:

1. **Clothing and Footwear:** We accept donations of new or gently used clothing and footwear in good condition. All items must be clean, free of stains or tears, and suitable for immediate wear.
2. **Sleeping Bags:** We welcome donations of unused, packaged sleeping bags to provide essential warmth and comfort to individuals experiencing homelessness.
3. **Toiletries:** Donations of toiletry items are greatly appreciated, especially those intended for individuals facing homelessness or poverty. Accepted items include soap, shampoo, toothpaste, toothbrushes, sanitary products, and other personal hygiene essentials.
4. **Food Donations:** We accept donations of non-perishable, shelf-stable food items, as well as cooked meals prepared by certified food handlers. All food donations must meet relevant food safety standards and be accompanied by the necessary food safety certificates.

Please note that we are unable to accept donations of items that are damaged, soiled, expired, or otherwise unsuitable for use. Additionally, we kindly ask donors to refrain from including items that are not listed in our donation policy. Your contributions make a meaningful difference in the lives of those we serve, and we are grateful for your support. If you have any questions or would like to donate, please contact us for more information.
